## General Manager's Report

If you are interested in having your lot mowed with our contracted company, please call or email the office. The price is \$400 per season/per lot. We will invoice you and add you to the list.

I would like to emphasize the importance of stopping by the office to provide your deed and information if you have recently moved into the community. It's crucial that we receive the updated homeowner information for our records. Additionally, we have welcome baskets that we'd love to give you if you're new to our community! With dues time coming to a close, I realized I did not ask for the ages of the children living at home on the information form sent with the invoices. We will be making phone calls to everyone to ask the ages of the children, but would appreciate it if you could email or call the office with that information as well. This information is important for usage of the amenities during the summer. We are getting excited for summer here in the office and are enjoying seeing everyone out and about with the sneak peek of warm weather we've been getting!

# Meet your neighbors!

## The Cohens!

Andrew, Christy and their daughter McKinley purchased their home in Lake Camelot nearly two years ago, diving into the community head first! The Cohens attend as many LC events as they can, enjoying the opportunities to meet so many great neighbors.

Andrew is the Director of Business Development with the Peoria Rivermen, and looks forward to seeing you at the game March 2nd for Lake Camelot night!

Christy is the Gymnastics/Tumbling coach at Hollis Park and Jump Start Plus.

McKinley joined the swim team and keeps her parents busy year round with her competition gymnastics schedule.

Enjoy Lake Camelot Cohens!
